No. of Copies to Book	_____	_____	_____	_____

1. The customized map size has an error rate of 0.5% due to artificial involvement in cutting. Each of the map's 4 sides has 1cm blank area left for map mounting. Therefore, the map's picture size should minus 2 cm for both its length and height;
2. Your company name will be, by default, added into the map;
3. **Sichuan Province's City Gas Industry Statistics Table**: Each year's data introduce figures of the provincial GDP, population, natural gas production, natural gas consumption, natural gas supplied in cities, gasified city population by natural gas, coal gas supplied in cities, gasified city population by coal gas, LPG supplied in cities, gasified city population by LPG. The table introduces the latest 17 years' data officially published by China's state statistics authority. Please note that nationwide data from state authority will be published during June and be delayed, as a practice, by two years. Therefore, the latest year that contains statistics data will be "the year before last year";
4. **Sichuan Province (Plateau Area)'s Franchised City Gas Zones Table** introduces the area's franchised territories, superior prefecture city, status, company;
5. **Sichuan Province (Plateau Area)'s Gas Pipelines Table** introduces each main gas pipelines by name, main area, status and company;
6. **Sichuan Province (Plateau Area)'s LNG Satellite Stations Table** introduces each LNG projects by name, city, status and company;

Step 2: Select (☑) Other Services

Research Service & Data 1: Franchised City Gas Projects by Province

☐ $274 Sichuan Province (Plateau Area)'s 53+ Franchised City Gas Projects

Research Service & Data 2: Natural Gas Supply Infrastructure Projects by Province

☐ $196 Sichuan Province (Plateau Area)'s Natural Gas Supply Infrastructure
16+ pipelines, 1+LNG plants, 30+ LNG satellite stations.

1. Please refer to the "Research Service & Data" instruction in this form or contact us for sample;
2. The price, mainly calculated by project number, may change to reflect the latest project changes;
3. The research data (in Microsoft Excel format) will take 30 working days to be updated so as to reflect the latest industry situation exactly on the delivery date.

Order, Payment, Delivery Time and Shipping

1. Send your booking form to publications@araworldwide.com, and it will be usually processed within one workding day. An invoice will be sent to you with total sum of the order, shipping fee (charged based on your mailing address and total weight) and our banking account;
2. Each map is exported from latest database upon your order and customizing demands. Your orders will be shipped in 15 working days from the date your payment is received;
3. Within 30 days after you receive your order, if you would like to have a larger map or want to add more customized elements into your map, you can receive the new map after you mail the existing map back to us and pay just the additionally-occurred fees.

Mailing Address and Contacts

Name _____ **Job Title** _____

Phone _____ **Email** _____

Company _____

Note: Official name of your company is required as it will be added into the customized map.
